Thank you for your interest in adopting a Rescue Pet from **All About Dogs Coastal Rescue**, a non-profit (501c3) corporation which operates a Rescue and Adoption Program for Homeless Canines.

Each of our rescue pets have been spayed/neutered, are up to date on all vaccinations, microchipped, heartworm tested and treated prior to adoption. Our \$150 adoption fee helps to pay for medical expenses and daily care of our rescue pets.

Please take the time to read and complete this Application and return it to the address above, fax or email. After we review your information, one of our volunteers will contact you regarding your adoption request, and the availability of an appropriate pet.
